

POORNIMA

THE \$POOR MEMECOIN

INTRODUCTION

THE TRAGIC PREMISE

The Problem

Have you ever wished to be rich, and it didn't come true?
What if the opposite is granted?

Introducing **\$POOR**, the meme token born from pure, unadulterated tragedy. Why wait for the serious, legitimate **SAGGA** token when you can dive into despair with \$POOR right now?

THE MANIFESTO OF MISERY

What is \$POOR?

\$POOR has **zero utility**. None. Zip. Nada. It's for anyone with severe **FOMO** who needs to buy something immediately. **BUT**, it's not just a useless meme coin; it's a contribution to building our project IP and community. By purchasing \$POOR, you're accidentally helping us build something great.

ROADMAP

Phase 1: Anime Series

Launching Season 1 of our animated series (9 episodes). This will generate income for token buybacks and promote our "big brother" \$SAGGA token.

Phase 2: POOR Tour

A community tour to meet our amazing holders. More content means more visibility for the \$POOR community.

Phase 3: Game App

A new meme mobile game featuring our original characters. The game will include NFT assets and allow players to earn \$POOR.

Phase 4: The Burn

When the "big brother" token officially launches, we will burn all remaining tokens in our team, dev, marketing, rewards, and airdrop wallets. This will put \$POOR entirely in the hands of the community.
